Congratulations to all Prize Winners. I do hope that you all enjoyed your Easter Eggs.

I would like to thank all riders for entering this event in aid of a very worthy cause. 95 riders I am told is an event record. Some fine times done too. Pretty close too with James Coleman doing just enough to win. Great to have 9 Ladies on board with Clare Ella again leading the way. A confident Kristian Woolf was the best of 6 Juveniles. A lad to look out for in the future. Another fine ride by Joe Moore to be quickest of 5 Juniors. Generous donations were given to this event by Newman and Moore of Sleaford., Pedal Pushers of Grantham and several riders who sent in cheques over the amount of the entry fee.

A mention too for the man behind the camera, Steve Forman. Initially he had stated that for every image purchased he would donate £1. He has now gone further by donating £50. In anticipation of getting 50 orders? Steve has been supporting Linc's events for many years. Images can be seen on [lincsracephotos.co.uk](http://lincsracephotos.co.uk) and the cost is very reasonable indeed. Hopefully you will all support Steve who I feel sure will add to his donation if 50 is exceeded.

Now a thank you to all of the people that assisted on the day. The Timekeepers Steve Walker and John Nicholson of Lincoln Wheelers.. From the same club Adele Would assisting Steve at the finish. A great job done. Also thanks to Denise who noted the riders numbers in order of finishing and also passed the times over to a super efficient Howard on the Result Board.

Ann took care of the signing on and dishing out the numbers. Hopefully no one was offended in being requested to read the pre event bump. It may have seemed like teaching granny to suck eggs, but if you could see what comes from the Police when the Police Notice is acknowledged you would understand. Also Event Secs are now instructed to have events observed..

Thank you also to the Marshals for being in their allotted positions at the times requested. They were Jackie M, Linda and Stewart. Adding to that, Ben assisting prior to the event and making that fourth marshal at the turn for extra awareness that something was happening.

Thanks go to Brian who as first marshal on the course followed the last rider and brought back all the signs. 17 in total and not one missed. Not forgetting a couple of big guys Malc and Terry who held the riders up at the Start and not one was dropped.

Where would any event be with out the Tea Ladies. So a big thank you to Kathy, Jackie P, Moira, Dorinda, Janet and Mags. Last but not the least there was Jean who manned the raffle. If I have missed any one out then please accept my apologies and consider yourself included.

It is anticipated that a figure of £750 will have been raised from this event and will be handed over to  
Cancer Research UK

At a presentation, date to be arranged.

Now a date to make a note of.. On July 11<sup>th</sup> the Sleaford Wheelers will be promoting the 4<sup>th</sup> Edition of the Nev Crane Memorial 25 mile Time Trial on Course C25/35. Since its inception it has received entries of 91, 105, and 95 riders. Arguably among the best fields seen in Lincolnshire. Arguably too, among the richest events seen in the County with some £800 up for grabs in 2010. And it does not all go to the top riders.
