What a morning. Quite windy or so it seemed. Last year Wayne Randle's ride was astonishing. Yet what can one say about the epic performance of Matt Bottrill. Okay, Silver Medallist in this years National '25' but a short 51 on the rough surface C25/35. .Astonishing! So too was the ride of 15 year old Kristian Woolf. In only his second event at the distance he is already well under the hour. And on a Lincolnshire unfashionable course too. Just 6 non starters from a field of 99. Congratulations to all prize winners. Our thanks to the generosity of our Event Sponsors, Chandlers of Belton, Solo Club Sleaford and Pedal Pushers of Grantham, enabling us once again to celebrate Nev's memory with a fine array of prizes. Richest TT in the County? Best supported Open in the County? And now the fastest 25 mile time ever recorded on Linc's Roads? If there was any disappointment it was in the lack of support from the Ladies for a more than generous prize pot set aside especially for them. Next year maybe we will do better? I am sure it is on the cards that soon we will achieve that elusive Full Field of 120 riders. Like riders who aim for personal best times, I also have an aim. If you enjoyed the event then I hope you will return. Tell your club mates what a wonderful time you had and let us see if we can achieve that magic figure of 120 riders plus 10 reserves. Pie in the sky? Do not bet on it. Together we can "Make it Happen"

Thank you Sharon and Nicky for stepping in at short notice to cover as Main Timekeeper and Recorder. Excellent job. Laura our very own Start Timekeeper thanks and good luck in your new posting. Denise thank you for being so clear on the phone with the times, to someone who is just a little "mutton Jeff". Linda a great help at signing on and at the board and always happy. Ann at the signing in and Chris for accompanying me around the course with the signage and checking on Marshals.

To my Marshals Dennis, Carolyn, Roy, Dave, Brian W, Tony, Jim and Brian S who Marshalled and collected in the signs following the last rider in. Thanks also to the big guys Malc and Terry. With most riders sitting with their brakes on they are really "holder uppers" as opposed to what use to be "pushers of". Those that do not know it was back on 5 forward on 4 and when it go to go a hefty shove. Now that was always worth a couple of seconds. A great band of people willingly putting loads into a sport having taken very little out of it.

And then there are my Little Hale Tea Ladies. Jean Sh, Jean Sm and Barbara. Hope you liked the nice array of their homemade cakes with some help in the baking direction from Gill. Anyone try my Marble Cake? If I have left anyone out please consider yourself included. Finally it was great to have Jean Crane once again able to attend this prestigious occasion and to hand out the awards including the coveted Nev Crane Memorial Trophy to Sleaford Wheeler Ian Pike who is having such a great season.
