

Results from the LRRR '10' held yesterday, 29 August – Ingham Top Lincoln

Turnout was very good despite strong winds. Times were not particularly fast. The event was won by Ian Dalton of Cherry Valley RT in 21:31. Fastest Sleaford Wheeler was Dennis Owen who fished 10th in 24:00 with Andy Howett 13th in 24:18. However the ride of the day belonged to young George Thompson who was the fastest Juvenile smashing his PB to record 24:39. If it wasn't such a strong headwind on the return leg he would have gone even quicker.
