Well done to Abbi Saggs who took part in the Sleaford & Alford Inter Club 15 mile Time Trial on 5th March. It was a cold, wet and blustery morning but Abbi bravely battled on to finish with a time of 1 hour, 6 minutes and 14 seconds. An excellent result for your first TT Abbi!!

During the Summer Term the sessions for the older children will be extended to 8.00pm.

The club website has links to membership forms, club activities, racing opportunities and much, much more....

New Go Ride Face Book Page

To improve the way we keep in touch with you we have set up a Sleaford Wheeler's Go Ride face book page. The page will be used to post any changes and updates to our Go Ride sessions and to give information on results and upcoming events within the youth section of Sleaford Wheelers. Find our page here:

Coming Soon!

During the Summer Term we will be introducing a Points Scoring League. You will be able to pick up points every time you come along to a Go Ride session or event and you will be able to win extra points as you learn new skills!

We will also be introducing a progressive awards system so you can keep working towards new goals and see just how much your bike skills are improving! More details to follow....
