

Heckington Go-ride Club Team Championship

Signing on

Signing on opens at 09.30 in the Cycling HQ Tent next to the track at the beginning of the back straight. Signing on closes strictly at 10.45

It is important that each team manager makes sure that:

All of your riders sign on individually well before 10.45

They each have silver membership with a full racing licence with them or that you have accounted in your entry fee for those that require a day licence (£1.50 per rider)

You have the total entry fees for your team (or part teams) in the exact amount including any day licences required. Entry fee is £3 per rider.

Please note that the schedule has changed since the provisional listing that I sent out by email
